COMMENTS:

This bill would make declaratory of existing law certain provisions of the Government Code relating to investigations of unlawful activity by prosecuting attorneys or the Attorney General (AG). This bill also would set forth rules relating to evidence, testimony, and subpoenaing of witnesses in conjunction with court actions or administrative hearings.

Additionally, the bill would make changes that would affect the Corporate Securities Law of 1968 and California Commodity Law of 1990, which do not affect the Franchise Tax Board's (FTB's) programs or operations.

The September 2, 2003, amendments made minor technical changes that did not impact FTB's programs or operations. The remainder of the department's analysis of the bill as amended August 18, 2003, still applies. This bill would have no identifiable impact on state income tax revenue.
